**Services**

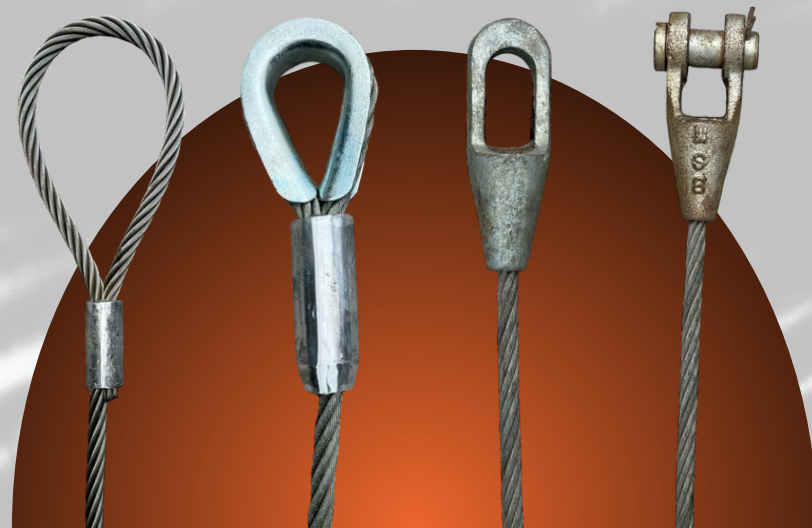

**Product & Services is complete in KCB Sling (TH)**

**We are a manufacturer and distributor of all types of lifting equipment, providing comprehensive services from consultation and calculation to ordering, certification, and delivery. With over 25 years of experience, every piece of equipment is handled by our expert team to meet our customers diverse needs.**

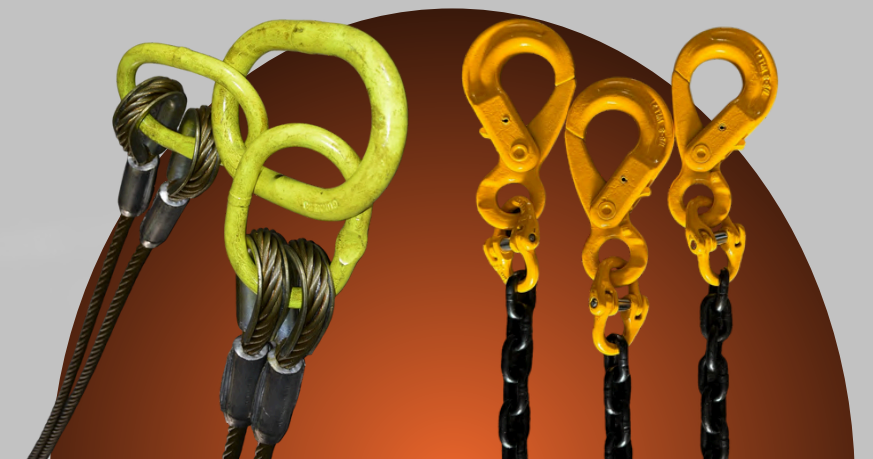

# Slings & wire ropes

We supply slings and wire ropes from **1 mm to 75 mm**, including **Ungalvanized, Galvanized, and Stainless Steel** options for various lifting and securing applications.

We also specialize in designing custom wire ropes and fabricating sling assemblies tailored to your needs. Our offerings include **single-leg, double-leg, triple-leg, and four-leg slings**, crafted to meet specific requirements and comply with **ASME B30.9 standards**.

# Polyester Sling

**KCB Sling imports raw materials to produce and supply various soft slings under the "TRACK" brand. We offer three main types of slings to meet customer needs.**

## Polyester Webbing Sling

**Our 100% polyester webbing sling with end loops range from 1 ton to 24 tons, conforming to EN-1492-1 standards with a Safety Factor of 7:1**

## Ratchet Strap With hook & buckle

**Our 100% polyester ratchet straps, featuring a locking lever, are strong and durable. Commonly used for securing cargo on trucks, they are versatile and reliable for a range of applications.**

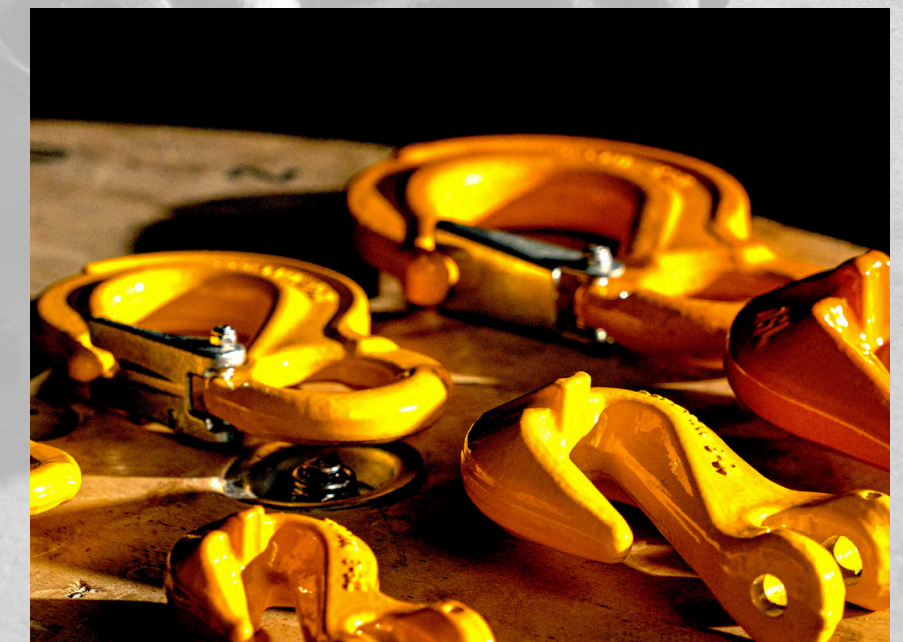

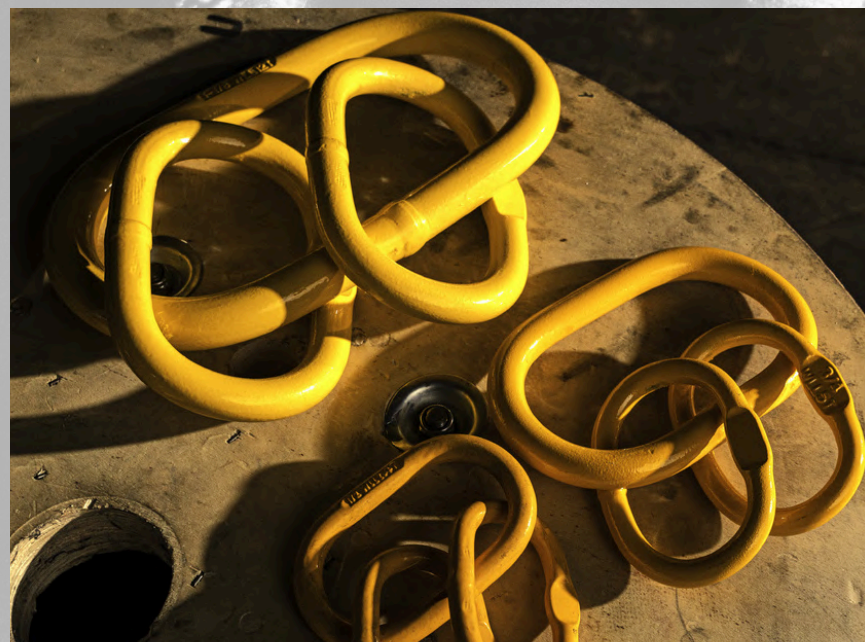

## Polyester Round Sling

**Our seamless 100% polyester round sling, available from 1 ton to 50 tons, comply with EN-1492-2 standards with a Safety Factor of 7:1**

# ACCESSORIES

**We offer an extensive range of accessories for lifting, securing, loading, and off-shore applications. Our selection ensures compatibility with all types of lifting equipment, providing tailored solutions for every need.**

## Test Loading

We offer in-house and third-party tensile testing services, providing certification for lifting applications and assessing component durability.

## Hydraulic Swaging Machine

We provide wire rope assembly and crimping for all sizes, delivering a complete solution for your lifting equipment needs.

# SERVICE

## Free delivery nearby area

We provide free delivery within the Greater Bangkok area, focusing on cost-efficiency and timely service while ensuring your products arrive safely and undamaged.

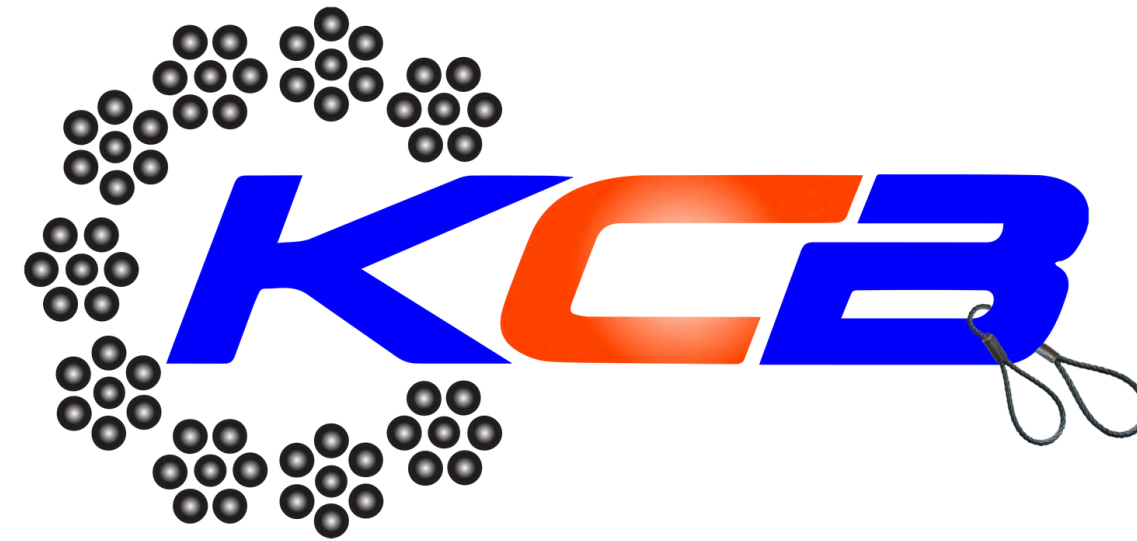

## Design products to be suitable for use

Our skilled engineers specialize in sling assembly and design, providing assistance to minimize errors and reduce your lifting equipment costs.

**At KCB Sling, we handle all your lifting needs from sales to service for a smooth, efficient experience.**
